Dear Colleagues,

It is indeed a great pleasure to inform you that the Departments of Environmental Science and Geography of Padmashri Vikhe Patil College of Arts, Science and Commerce, Pravaranagar are organizing a two day National Seminar on **"Environmental Protection: An Interdisciplinary Trend for Sustainable Development"** on 11th and 12th January, 2019.

About the College

Padmashri Vikhe Patil College of Arts, Science and Commerce, Pravaranagar under the umbrella of Pravara Rural Education Society, Pravaranagar was established in 1971 by late Padmashri Dr Vitthalrao Vikhe Patil, the founder father of sugar co-operative movement in India to cater the needs of the rural masses for higher education.

Under the blessings of late Dr. Balasaheb Vikhe Patil (Padma Bhushan Awardee) and Hon'ble Namdar Shri. Radhakrishna Vikhe Patil, Chairman of our Education Society, the college has made stupendous achievement in changing the socio-economic status of rural masses through fulfilling the needs of quality based higher education.

In recognition of excellence, the College has a status of College of Excellence (by UGC), 'A' grade form NAAC (3.61 CGPA) Bangalore and Best Rural College Award from the affiliating University. These are some of the feathers in our crown.

The College is located at Loni Village in rural part of Ahmednagar district of Maharashtra state, and just 24 kms away from the Holy Shrine of Shri. Saibaba, Shirdi and 70 kms from Shani Shingnapur and Ahmednagar. The campus is easily accessible by different modes of transportation.

Belapur and Manmad Shirdi, Aurangabad, Pune Local Blocks

- Manmad (Railway Junction)-Shirdi-Loni (By Bus)
- Pune-Daund-Belapur (By Rail)
- Babhaleshwar - Loni (By Bus)
- Pune-Sangamner-Loni (By Bus)

- Nashik -Sangamner -Loni (By Bus)
- Aurangabad- Newasa-Shrirampur-Loni (By Bus)
- Mumbai- Nashik (By Rail)-Sangamner-Loni (By Bus)

- Hyderabad-Shirdi (By Air)-Loni (By Bus)
- Delhi- Shirdi (By Air)-Loni (By Bus)

Salient features of the Departments

By experiencing the degraded rural environment due to improper agricultural practices, increasing Agro-Industrial activities, migration of students toward city, environmental pollution etc., the College has started the Department of Environmental Science in 1992 on self-financing basis to enable the rural students to pursue the higher studies. This was the first Environmental Science department in the University jurisdiction at college level. To address the various environmental issues in the vicinity of Loni the affiliating university has granted the research center to the Department in 2009. The Department is providing in-plant training to the students to gain the outside knowledge and to have an experience. Similarly, the Department of Geography has started UG program since the inception of the College. Today, it is providing the education at Post Graduate level since 2014.

Theme - Today, the exploitation and degradation of environmental resources is at alarming level at every locality, indicating to pay an utmost attention towards the environmental protection. With this background the Seminar will provide an appropriate platform to deliver different research topics related to environmental protection with a special emphasis on 'An Interdisciplinary Trend for Sustainable Development'. The major topics are:

- Biodiversity
- Remote Sensing and GIS
- Geomorphology
- Hydrology
- Waste Management
- Microbiology
- Renewable & Non-renewable resources
- Environmental and Green Chemistry
- Agricultural and Soil Sciences
- Atmospheric Sciences & Climate Change
- Environmental Tourism
- Statistical applications and Mathematical modeling
- Any topic related to the theme of seminar.

Registration Fee

Delegates	Rs. 1,200/-
Students (Without kit)	Rs. 600/-
Accompanying Persons (Without kit)	Rs. 600/-

The registration fee for delegates includes Seminar kit, Breakfast, Lunch, Dinner and Accommodation. (During registration at seminar desk, all delegates and participants have to submit a Xerox copy of Identity card

issued by their institution and receipt of Registration & Publication fee paid). However, participants those who willing to get their research paper published in special issue of UGC approved research journal have to pay the publication charges of Rs. 2,500/- separately up to 25th December, 2018.
